

MI4 RESCUE™

TaylorMade

GREAT LOOK. EASY TO LAUNCH. EASY TO PLAY.

FEATURE	BENEFIT
Split Mass Pads	Two internally split mass pads that increase inertia to deliver more ball speed across the face.
Two-tone Crown	Two-tone crown cosmetic in a low profile shape provides a confidence-inspiring look.
Speed Pocket	Increases flexibility and distance across the face. Low-face strikes will be rewarded with the improved Speed Pocket by preserving ball speeds for consistent distance.
