

Qi10 RESCUE

FEATURES AND BENEFITS

CARBON CROWN W/ ENHANCED ALIGNMENT

- The new larger Carbon Crown frees up mass to enable lower CG and added forgiveness.
- Advanced laser alignment feature allows for precision aim.

LONG AND VERSATILE

- Internal front-back split weighting creates a versatile Rescue with extremely long distance and easy, high launch.
- Mid-face height allows for versatility with easy launch from even the tightest lies and with confidence off the tee.
- Can be used by a wide array of players from touring pros to the recreational golfers.

PROVEN TAYLORMADE TECHNOLOGIES

- V Steel™ sole improves turf interaction and versatility.
- Protect ball speed with the Thru-Slot Speed Pocket, designed to increase low face flexibility designed to optimize ball speed on low face hits.
- A wide array of lofts are available to gap any player type and bag set up.
- Twist Face uses corrective face angles designed to overcome inherent golfer tendencies on mis-hits and to produce straighter shots.
