**GRIP**  
SUPER STROKE PISTOL GTR 1.0

► **Refined Spider Design**

• Featuring a 15% smaller head construction, Spider Mini delivers the stability and high-MOI performance of its bigger brother in a compact, mid-mallet design

► **Tour-Inspired Alignment**

• Innovative "T-Sightline" encourages proper alignment and a square club face. The T-Sightline depth mimics the dimensions of a classic blade putter to provide a seamless transition for golfers exploring mallet shaping

► **Optimized Weighting System**

• Redesigned steel weights, cast directly into the head for a precise and consistent balance with an additional adjustable sole weight
