

TAYLOR MADE

# TP Reserve

FEATURE	BENEFIT
<b>FINE MILLED PUTTERS</b>	Machine milling creates the best details and elevates the putter's overall character.
<b>MACHINED IN GROOVE</b>	Machined milled grooves on the face reduce surface area impacting the ball, for a softer feel and crisp sound.
<b>3 CLASSIC BLADES AND 3 REFINED MALLETS</b>	Premium style matters as much as performance. Each model is a blend of art and precision, crafted with classic styling and awe-inspiring aesthetics.
<b>REFINED TOP LINES AND PROFILES</b>	TP Reserve features refinements to top line thickness, face heights, blade lengths and radius shaping for premium styling and Tour-inspired details.
<b>FOUR REFINED HOSEL COMBINATIONS</b>	Reserve offers four different fitting options via a combination of shaft and hosel designs for selective toe hangs. The new mid-length single bend hosel promotes easier setup and repetitive alignment.
<b>303 SOLID STAINLESS STEEL</b>	Designed and machined with soft 303 stainless steel for sound and feel.
<b>PERFORMANCE SOLE WEIGHTING</b>	Use sole weights to fine tune swingweight to match putter length for optimal stability and performance.
