RESCUE

FEATURES AND BENEFITS

DEEP FACE PROFILE

- The high-toe deeper face provides a look and performance for players seeking the ultimate combination of distance, workability, and control.
- Designed for players seeking iron-like turf interaction with excellent versatility.

TOUR PRECISION SHAPE

- The new tour-inspired precision shape sits beautifully behind the ball, square to the target and provides confidence, whether you're going for a par-5 in two or playing for position off the tee.
- Internal heel-toe weighting provides added forgiveness with a more compact look.

ADJUSTABLE LOFT SLEEVE

- Adjust the 3° loft sleeve to fine tune your preferred distance, trajectory and shot shape.

PROVEN TAYLORMADE TECHNOLOGIES

- Protect ball speed with the Thru-Slot Speed Pocket, designed to optimize ball speed on low face hits.
- Clean and powerful sound & feel is one of the key cornerstones of a TaylorMade Rescue, as it builds confidence.
- Twist Face uses corrective face angles designed to overcome inherent golfer tendencies on mis-hits and to produce straighter shots.
